## EDUCATION

### **Pondicherry University, Puducherry, India** — *Master of Computer Application*

June 2016 - April 2019

Currently pursuing my master's from dept. of computer science. This program is oriented on development in application aspects of computer science for various problem domains.

### **VBSPU, Jaunpur, Uttar Pradesh, India** — *Bachelor of Science*

July 2013 - May 2016

Completed my UG with Mathematics as Major and Physics as a subsidiary subject. This program developed my thinking and my analytical skills as well as stimulated my vision for switching my master's in computer applications.
